Jews Plotted the Armenian Holocaust

By Brother Nathanael Kapner

"a former Jew and now an Orthodox Christian"

April 25, 2015

BUSINESS AS USUAL is a powerful motivating force especially when Jews like the Rothschilds are running an oil business.

Banking is the forte of the Jewish *House of Rothschild*. But raw materials—especially oil—are *money in the bank*. The *Young Turk* movement, AKA *Committee of Union and Progress*, arose out of the Rothschilds' oil interests in the Black Sea area of the Ottoman Empire in the late 1800s. 'Creating stability' in an incendiary realm was necessary for the Rothschilds' new oil enterprise *Baku Oil*. The instability of the Armenian Christians' financial and intellectual prominence in the area was not "good for business."

Thus hand-picked Jews of Salonika, (Jews made up the majority of the city's population), and foreign agitators such as the Russian Zionist, Vladimir Jabotinsky, the editor of *The Young Turk* newspaper, were just what the Rothschilds needed for ridding the source of that instability, the Armenian Christians.

Now, the Zionist *Young Turks* who sought for the break up of the Ottoman Empire in order to obtain Palestine—and the *House of Rothschild*, who needed a Jewish-controlled Turkey and hegemony over the entire Middle East, could work together. This meant funding for the Jewish *Young Turks* and revolutionary subversives for the Rothschilds.

Jewish Murderers of The Young Turks

HISTORICAL BACKGROUND OF THE JEWISH YOUNG TURKS

1680: Sabbatai Zvi, a Turkish Jew, proclaims himself to be the Jewish Messiah in Salonica. After amassing a following of thousands of Jews - he led them on a Zionist exodus to Palestine. On the way he decided to become a Muslim. Many of his followers saw this as God's plan and also became Muslims.

1716: A group called the "Donmeh" forms in Salonica of Sabbatai Zvi's followers headed by Sabbatai Zvi's successor, Baruchya Russo. By the early 1900's, the

Donmeh numbers in the hundreds of thousands. They were known as "Crypto Jews" because though outwardly appearing to be Muslims, they were still Jews following the customs of the Jewish occult Kabbala which Sabbatai Zvi taught. They continue in their fervent, (yet secret), Zionist vision.

1860: Jewish Hungarian Zionist named Arminius Vambery becomes an advisor to the Sultan Abdül Mecit while secretly working as an agent for Lord Palmerston of the British Foreign Office. Vambery tries to broker a deal between the Zionist leader Theodore Herzl and Sultan Abdul Mecit over the creation of Israel but fails.

1891: Out of the *Donmeh* a Zionist political group forms called *The Committee of Union and Progress*, later called *The Young Turks*. The group is headed by a Freemason Jew by the name of Emmanuel Carraso who organizes the secret *Committee of Union and Progress* in Geneva with the help of the Rothschilds.

1895-1896: Sephardic Jews of Salonika together with the Turks massacre Armenian Christians in Istanbul.

1902 & 1907: Two Congresses of *The Young Turks* meet in Paris to plan, prepare, and effect the penetration the Sultan's army leading to the military coup of 1908.

1908: The Jewish *Young Turks* revolt and force the Sultan Abdul Hamid II into submission.

1909: The Jewish *Young Turks* rape, torture, and slaughter over 100,000 Armenians in the city of Adana, also known as Cilicia.

1914: The Jews of *The Young Turks* create unrest, turmoil, and bolster the paid Serbian assassin, Gavrilo Princip, which leads to World War I.

1915: The Armenian Holocaust engineered by the ruling Jews of *The Young Turks*, leaves 1.5 million Armenian Christians starved, tortured, and murdered.

1918: Jew Mustafa Kemal 'Ataturk' ascends into leadership.

1920: Russian Jewish Bolsheviks supply Ataturk with 10 million gold roubles, 45,000 rifles, and 300 machine guns with ammunition.

1921: Ataturk occupies the *Port of Baku* in conjunction with the Russian Jewish Bolsheviks ceding it to the Bolsheviks five days later. The Rothschilds are delighted.

1922: Jewish Kemalists orchestrate the burning of Smyrna resulting in the 'ethnic cleansing' of over 100,000 Armenian and Greek Christians left tortured, starved, raped, and dead.

THE BRITISH AMBASSADOR TO THE OTTOMAN EMPIRE SIR GERALD LOWTHER'S LETTER TO SIR CHARLES HARDING, May 29, 1910

— Shortly after the revolution in July 1908, it soon became known that many of the Young Turks' leading members were Freemasons. It was noticed that Jews of all colours, native and foreign, were enthusiastic supporters of the new dispensation, till, as many Turks expressed it, every Hebrew became a potential spy of the Young Turks. Turks began to remark that the movement was rather a Jewish than a Turkish Revolution. —

JEWISH MURDERERS KNOWN AS THE YOUNG TURKS

1. Emmanuel Carraso: B'nai B'rith Official of Italian origin. Grand Master of the *Macedonia Resurrected* Masonic Lodge in Salonika; Established the 'secret' *Committee of Union & Progress* in Salonika in 1890.
2. Tallaat Pasha (1874-1921): Thought to be a Turk but in reality a "Donmeh Jew." Interior Minister of Turkey during World War I; Member of Carasso's Masonic lodge and Grand Master of the Scottish Rite Masons in Turkey; Chief architect of the Armenian Holocaust and *Director of Deportations*. He wrote, "By continuing the deportation of the Armenians to their destinations during the intense cold we are ensuring their eternal rest."
3. Djavid Bey: "Donmeh Jew." Talaat's Finance Minister; Arranged the finances of revolution in Turkey with the Rothschilds; Later assassinated by Ataturk as a perceived rival.
4. Messim Russo: Assistant to Djavid Bey.
5. Refik Bey, AKA Refik Saydam Bey: Editor of Young Turk newspaper *Revolutionary Press*; Became Prime Minister of Turkey in 1939.
6. Emanuel Qrasow: Jewish propagandist for *The Young Turks*. Headed the delegation to inform Sultan Abdul Hamid II that "the nation has removed you from your office."
7. Vladimir Jabotinsky: Russian Zionist who moved to Turkey in 1908. Supported by B'nai Brith of London and Dutch Zionist millionaire, Jacob Kann; Editor of *Young Turk* newspaper. Later started the terrorist *Irgun* political party in Israel.
8. Alexander Helphand, AKA Parvus: Financier/liaison of the Rothschilds of the Young Turk revolution; Editor of *The Turkish Homeland*.
9. Mustafa Kemal 'Ataturk' (1881-1938): A Jew of Sephardic (Spanish) origin. Ataturk attended the Jewish elementary school known as *Semsi Effendi School* run by the Jew Simon Zvi. Over 12,000 Jews welcomed to Turkey by Ataturk in 1933 when Hitler came to power. For many years, the *Anti Defamation League* and now its director, Abraham Foxman, refuse to acknowledge that the massacres of 1.5 million Armenians between 1915

and 1923 constituted genocide. Jews simply can't stand to share their so-called "martyred-race" status with anyone else. And besides, Jews don't like to have their crimes pointed out to them. If one does, he is instantly labeled an "Anti Semite!"

Jews Deny The Armenian Holocaust...

JEW ABE FOXMAN OF THE ADL DENIES THE ARMENIAN HOLOCAUST

Foxman has reiterated the ADL's opposition to formal U.S. recognition of the Armenian Holocaust calling a proposed Congressional resolution "a counterproductive diversion." This position is inconsistent with the ADL's mission statement "to secure justice and fair treatment to all citizens alike."

But the Jew Abe Foxman and his racist ADL organization do not care about any other ethnic group but their own. And they will lie and suppress the historical facts (and all historical facts that incriminate the Jews) of the Armenian Holocaust and the role that the Jews played in it. Foxman and all Jews do this in order to perpetuate their image as "innocent victims."

Jews Plotted The Armenian Holocaust!

WE CANNOT ALLOW THE JEWS to get away with their suppression of historical facts that incriminate the Jews any longer. Abe Foxman and his racist Jewish friends love to see Revisionist Historians thrown in jail for questioning particulars of the Jewish Holocaust in Germany.

But it is Foxman and the rest of the Jewish censors who should be thrown in jail for denying the Armenian Holocaust! Why do Jews abide by a double standard constantly? Aren't we all sick of it and all these Jews for that matter by now?

I, for one, Brother Nathanael Kapner, a former Jew and now an Orthodox Christian, will do all in my power to expose the Jews. For the Jews are *not* innocent victims of persecution against them but have *prompted* backlashes against them throughout their "wandering-among-the-nations" history.

The Jews in fact are the most fierce perpetrators of racist crimes the world has ever known.

And the Armenian Holocaust of which the Jews are responsible is a clear example of their Jewish racist crimes.

Comment by sender: They were responsible for creating the communist Soviet Union too and the countless millions they murdered, which included the Russian royal family with their servants and their pets.

Australia should recognise Armenian genocide, Geoffrey Robertson says

[Siranush Ghazanchyan](#), 17:04, 27 Apr 2015

Geoffrey Robertson QC earned a standing ovation after delivering a powerful keynote address at the National Armenian Genocide Centenary Commemoration Evening at Sydney Town Hall, unequivocally proving that the massacres and forced deportations of Armenians in Ottoman Turkey in 1915 was genocide, while calling out the Australian government for bowing down to pressure by Turkey on this issue.

Robertson told the over 2,200 in attendance: "Isn't it ironic that here we are, 100 years after (Gallipoli), celebrating the courage of young Australians in facing Turkish bullets, and we have a government that lacks the courage to stand up to Turkey?"

"I can't refute what is obvious to every honest scholar, that what went on in 1915 was genocide."

This keynote address came on a day that Australian media reported that Australia's Treasurer, Joe Hockey was gagged by the government from speaking at the event after pre-ANZAC Day meetings in Turkey between Prime Minister Tony Abbott and Turkish Prime Minister, Ahmet Davutoglu.

Long-time Armenian Genocide recognition advocate Hockey, who was in the audience, maintained that his views on the Armenian Genocide had not changed and he

was attending the Commemoration to hear Robertson's keynote and reflect on the Centenary with his Armenian audience rather than speak himself.

Hockey, who has Armenian roots, did release the following statement to the organising Committee for the event, correctly referring to the Armenian Genocide as he always has in his political career.

The statement, in part, read: "... proper recognition of historical truths, such as the Armenian genocide, will steal us all to be ever vigilant against any attempt to repeat this horrific event against ourselves or future generations."

Australian-born Robertson and Hockey were joined by many high-profile guests for the Commemoration Evening, including Greece's Ambassador to Australia, Russia's NSW Consul-General, Jonathan O'Dea MP (representing NSW Premier, Mike Baird), the Hon, Walt Secord MLC (representing NSW Opposition Leader, Luke Foley), the Hon. Rev. Fred Nile MLC, the Hon. David Clarke MLC, the Hon. Shaoquett Moslemane MLC, Australia's Human Rights Commission Chair, Prof Gillian Triggs, Australia's Human Rights Commissioner, Tim Wilson and Race Discrimination Commissioner, Dr. Tim Soutphommasane, along with numerous Councillors, Clergy, and representatives of ethnic community and Armenian community organisations.

A Commemoration Evening was also held in Melbourne, Victoria where over 1,000 guests were in attendance to hear from keynote speaker, Nikki Marczak.

A Commemorative Play was performed in Adelaide, South Australia for the week leading up to April 24th.

Law can't touch Gold Coast man flying Nazi flag on Anzac Day

April 27, 2015: There's widespread outrage after a Nazi flag was flown outside a Gold Coast home across the Anzac weekend.

Politicians, locals and the RSL have united to express their shock and disgust after a Gold Coast man flew a Nazi flag at his home on Anzac Day.

Burleigh Waters man Henrik Bussman raised the flag on Friday.

It is understood he did so as a bizarre protest against the sound his neighbours' Australian flag made flapping in the wind.

However, he cannot be touched by the law as it is not illegal to display a Nazi flag on his private property. (9NEWS)

Helen Gilbert from Surfer's Paradise RSL said the incident was "inappropriate but not surprising".

"There's always one," she said.

Liberal National MP and former state Attorney-General Jarrod Bleijie said he was determined to see the flag taken down. "If it's a matter of me going around and knocking on the door there and asking the gentleman to take it down, then that's what we'll do," he said.

However, police have said there is no law against somebody flying a Nazi flag in their own backyard

It is understood he raised the flag to protest the noise of his neighbours' Australian flag. (9NEWS)
